WORK EXPERIENCE

Front-end Developer (React)

TenleeMedia

07/2022 - 10/2023

- Created and managed React-based user interfaces for smooth and responsive web interactions.
- Teamed up with cross-functional groups to blend front-end solutions with back-end systems, boosting web app performance.
- Enforced top-notch front-end practices, including code optimization and browser compatibility checks, for top-tier, user-centric websites.

PERSONAL PROJECTS

Service Booking and Management (Full stack)

- Led the development of a comprehensive online Service Booking and Management Website, enabling users to browse, book, and efficiently manage a variety of services.
- Seamlessly divided the project into user-facing, admin-facing, and super admin-facing features, ensuring a well-structured and versatile platform.
- Leveraged a technology stack featuring Next.js, Ant Design, Redux Toolkit, React Query, Node.js, Express.js, PostgreSQL, and Prisma to deliver a user-centric and accessible web solution.
- Front-End: [Live Site](#)
- Dashboard: [Admin Dashboard](#)

Book Listing Application Backend

- Led the creation of a backend system for a Book Listing Application, offering CRUD functionalities, pagination, and versatile data filtering.
- Employed a contemporary tech stack comprising TypeScript, Express.js, Prisma, and PostgreSQL, delivering a scalable and high-performing book management solution.
- API : [Documentation](#)
- Code : [GitHub](#)

Ebook (React)

- Led the development of a system for an EBook platform, adding essential features like CRUD operations, pagination, and dynamic data filtering, while seamlessly integrating MongoDB and Mongoose.
- Skillfully enhanced the user experience and platform functionality by efficiently implementing and optimizing review and cart features.
- Code : [GitHub](#)
- Front-End : [Live Site](#)

SOFT SKILL

- Collaboration
- Teamwork and Collaboration
- Problem Solving

TECHNICAL SKILLS

Front-end Technologies

HTML | CSS | JavaScript (ES6) | ReactJS | Redux | Axios | Tailwind CSS | Material-UI(React) | Ant Design | TypeScript

Back-end Technologies

Node.js | Express.js | Mongoose (an ODM for MongoDB) | MongoDB | JWT (JSON Web Tokens) | Prisma ORM | TypeScript

Development Tools

VS Code | GitHub | Figma (design and prototyping tool) | NPM (Node Package Manager) | Yarn

LANGUAGES

Bangla
Native or Bilingual Proficiency

Hendi
Full Professional Proficiency

English
Full Professional Proficiency

INTERESTS

- Coding
- Travelling
- Learning new skills
- Reading Novel

EDUCATION

BSC in CSE

01/2022- Present,

Daffodil International University

Diploma in Computer Engineering

2016- 2020,

Rajshahi Polytechnic Institute
